- g) People St. Patrick's Day on March 17.

Basic facts about Ireland - project.

Work in groups of 4. Prepare a project about Ireland. Follow the instructions:

1. Cut out the shape of Ireland. Colour it in. Use traditional Irish colours, e.g. green, white and orange.
2. Talk together. What information about Ireland do you want to put on the project? Here are some ideas:
 - a. mark the capital city
 - b. write about and draw leprechauns with pots of gold, rainbows, etc.
 - c. write about the colour green – why is it important for the Irish?
 - d. write about and draw three-leaved shamrocks and four-leaved clovers
 - e. ... ?
3. Decorate your project. Ask your teacher to help you to put it on a classroom wall.
4. Talk about your project.
